Hello Chand:

I will not be able to attend the public meeting because of work obligations I am not able to postpone or cancel. Please let me know if we can still be of assistance and if so, what assistance would DTSC need.

Thank you for your courtesies and understanding.

Sincerely,
Carmen

Subject: Pechiney Public Meeting!

Dear Carmen,

Michel Iskarous who was the previous PM is retiring and the Pechiney (Alcoa) project has come to me now. I was informed that you have reviewed and conditionally approved the PCB Plan for this site. We have opened a public comment period and holding a public meeting on June 4 at 6:30 p.m. to finalize the draft RAP. We would like to invite you also to attend this meeting along with the DTSC staff and if possible putting together few slides on this PCB issue for the presentation. Please let me know and I will send you the format of the presentation.

Thanks
Chand
